

HAND HYGIENE
WITH EXTRA LUXURY

Plum Soft Sense

Introducing: Plum Soft Sense

Plum Soft Sense is a new concept that brings a refreshing change to everyday life. Effective hand washing and disinfection in modern 500 ml pump bottles with a contemporary look that perfectly represents style and luxury.

Soft Sense products contain premium quality, natural ingredients and come in bottles made from 50% recycled plastic (PET), so you can do a bit for the environment.

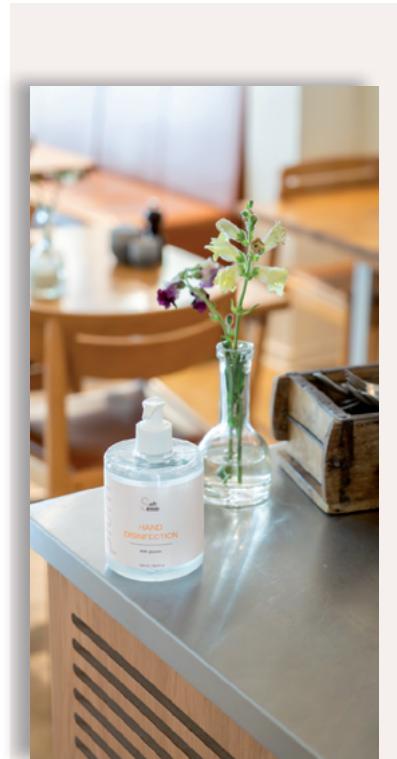

What makes Soft Sense special

All ingredients in Soft Sense products have been carefully selected with consideration for both the skin and the environment.

The range includes the following 3 products:

Two gentle soaps:

- perfume-free, with AllergyCertified certification
- with perfume, with a pleasant jasmine and citrus fragrance
- Both soaps contain 95% natural origin ingredients and dermatologically tested.
- Hand sanitiser gel with 85% ethanol, supplemented with glycerine to prevent skin dryness
- 500 ml pump bottles
- Fits most wall mounts

STYLISH HAND HYGIENE

With Plum Soft Sense, hygiene and luxury go hand in hand.
